### Course Itinerary

The Technical course is for technicians that wish to get certified on the LIK revision 5.6.

The course will promptly start at 9:00AM on Tuesday July 10<sup>th</sup>, 2012. The course will be on Tue, Wed and Thursday and the proctored closed book certification test will be administered on Thursday July 10<sup>th</sup>. On Friday July 11<sup>th</sup> will be HANDS ON LAB. All attendees are requested to stay and attend the lab as that will give you real life experience with the equipment. ALL resellers MUST bring with them the Demo Kit (the MFIM 50A and 2 phones) as well as all power adapters for the phones or a PoE Switch and plenty of Ethernet Cables, your laptop and 1 AC Strip. If you have not purchased your demo kit, call your distributor TODAY and purchase it. I would also add that this is an arduous class so paying attention at all times is very critical if you are to pass the test and know how to program this incredible platform! Shut down your

phones, your internet, etc., and pay attention. The instructor will give you breaks so that you can catch up on voice and emails, but this is an 8 hour per day class – 4 days SOLID! Prepare to be impressed and to be certified.

If you would like to stay at the Hotel, call the Hotel directly for reservations and state that you are with LG-Ericsson – this will get you our corporate discount (limited to a few students only – first come first served basis only).

Again, we need everyone to Email by or before June 14<sup>th</sup>. [Pierre.Kerbage@lgericssonus.com](mailto:Pierre.Kerbage@lgericssonus.com)
